The Settlement of New England

Separatists vs. Puritans

Separatist Beliefs:
- Puritans who believed only "visible saints" (those who could demonstrate in front of their fellow Puritans their elect status) should be admitted to church membership.
- Because the Church of England enrolled all the king's subjects, Separatists felt they had to share churches with the "damned."
- Therefore, they believed in a total break from the Church of England.

1620 → a group of 102 people [half Separatists]
- Negotiated with the Virginia Company to settle in its jurisdiction.
- Non-Separatists included Captain Myles Standish.
- Plymouth Bay was outside the domain of the Virginia Company.
- Became squatters without legal right to land & specific authority to establish a government.
The Mayflower Compact
November 11, 1620

Written and signed before the Pilgrims disembarked from the ship.
Not a constitution, but an agreement to form a crude govt. and submit to majority rule.

- Signed by 41 adult males.
- Led to adult male settlers meeting in assemblies to make laws in town meetings.
That First Year....
- Winter of 1620-1621
  - Only 44 out of the original 102 survived.
  - None chose to leave in 1621 when the Mayflower sailed back.
- Fall of 1621 → First “Thanksgiving.”
  - Colony survived with fur (especially beaver), fish, and lumber.
  - Plymouth stayed small and economically unimportant.
    - 1691 → only 7,000 people.
    - Merged with Massachusetts Bay Colony.

William Bradford
- Self-taught scholar.
- Chosen governor of Plymouth 30 times in yearly elections.
- Worried about settlements of non-Puritans springing up nearby and corrupting Puritan society.

Puritanism
- Calvinism → Institutes of the Christian Religion
  - Predestination.
    * Good works could not save those predestined for hell.
    * No one could be certain of their spiritual status.
    * Growing doubts led to constantly seeking signs of “conversion.”
- Puritans:
  - Want to totally reform (purify) the Church of England.
  - Grew impatient with the slow process of Protestant Reformation back in England.
How Serious Were the Puritans?

Learning Objective:
Understand what life was like when Puritans were in power.

Who were the Puritans?

• The Puritans were a very strict (extreme) type of Protestants who were around in the Sixteenth and Seventeenth Centuries.
• They believed that the Church had become corrupt and sinful.
• They wanted to purify religion by using the Bible as the word of law on earth.
But why ban Christmas?

- Christmas was a human invention, not in the Bible.
- It was too closely linked to old Pagan (Pre-Christian) beliefs.
- The idea of a ‘mass’ for Christ just smelled of Catholicism!

So it was banned in England in 1647!

That wasn’t the only reason...

- Puritans also hated the...
  - gluttony
  - drunken-ness
  - dancing
  - gambling
  - begging
  - singing

Unlike this cat – they were not party animals!

How did they stop people?

Soldiers patrolled the streets – they were even on the sniff for the smell of roast goose!

ROGER WILIAMS BE LIKE

LIBERTY OF CONSCIENCE
Civil authorities should not enforce religious orthodoxy or support a state church.
The British Crown has no authority to grant title to Indian land.

1636 → Roger Williams fled there.
- MA Bay Puritans had wanted to exile him to England to prevent him from founding a competing colony.
- Remarkable political freedom in Providence, RI
  - Universal male suffrage → later restricted by a property qualification.
  - Opposed to special privilege of any kind → freedom of opportunity for all.
- RI becomes known as the "Sewer" because it is seen by the Puritans as a dumping ground for unbelievers and religious dissenters → More liberal than any other colony!

Rhode Island

Williams was exiled from Massachusetts and founded a settlement in present-day Rhode Island.

Providence Plantations
Williams named his settlement for God's providence, which he believed had brought him there.

BYE!
And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

While Williams lived among the Indians, he never baptized a single one, as he didn’t believe that any of them had sincerely converted to Christianity.

a few quotes to shed light

“Wall of Separation”

“When they have opened a gap in the hedge or wall of separation between the garden of the church and the wilderness of the world, God hath ever broke down the wall itself, removed the candlestick, and made His garden a wilderness, as at this day.”

Antinomianism
(Free Grace / Anti-Legalist)

Works are COMPLETELY irrelevant to salvation

1638 → she confounded the Puritan leaders for days.
Eventually bragged that she had received her beliefs DIRECTLY from God.
Direct revelation was even more serious than the heresy of antinomianism. WHY??
Puritan leaders banished her → she & her family traveled to RI and later to NY.
* She and all but one member of her family were killed in an Indian attack in Westchester County.
* John Winthrop saw God's hand in this.

Anne Hutchinson's Trial

Hutchinson and over 60 of her followers were exiled and joined the dissident communities in Rhode Island.
