船
boat

舟 八 口
vessel eight mouth

- The Chinese word for boat is made up of three component radicals.
- The first boat mentioned in the Bible is Noah's ark. Just how many people or "mouths" were aboard? Genesis 7:13 tells us: *"In the selfsame day entered Noah, and Shem, and Ham, and Japheth, the sons of Noah, and Noah's wife, and the three wives of his sons with them, into the ark."*
- Yet the Chinese language -- predating the Hebrew in which the Old Testament was written by at least 700 years -- records this fact in perfect detail.

林 + 女 = 婪
trees woman desire, covet

- The word "covet" or "desire" pictures a woman making a decision between two trees. Genesis shows us that there were two significant trees side by side in the garden from which to choose.
